

Notice under National Electricity Law

Notice of Initiation of Rule Change Requests

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, Renewable Energy Revolution Pty Ltd has requested the *Maximum reactive current during a fault* (Ref. ERC0272) proposal. The proposal seeks to change reactive current access standards that apply to inverter based resources. Submissions must be received by **23 June 2022**.

Under s 95, GE International Inc, Goldwind Australia Pty Ltd, Siemens Gamesa Renewable Energy Pty Ltd and Vestas Australia Wind Technology Pty Ltd has requested the *Performance standards for reactive current response to disturbance* (Ref. ERC0329) proposal. The proposal seeks to change reactive current access standards that apply to inverter based resources. Submissions must be received by **23 June 2022**.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
